NEIGHBORHOOD DIRECTORY

The Neighborhood Directory has been printed and donated for many years by John and Nina Fricke; through 2009.

This year the Directory cost has been added to the budget. As the Board sought to minimize the expense of publishing and distributing the Directory, it was decided to print the Directory in black ink only and to mail it out to Members for one final time in 2010. In the future the Directory will be distributed via email.

MOWING BIDS

Bids for mowing have been solicited from local vendors via direct contact and newspaper advertising. Bids are due by March 10.

The bids will be reviewed at the next Board meeting scheduled for March 22 at 7:00 p.m. All members are invited to submit their preferences for mowing frequency to the Treasurer prior to the meeting at

Treasurer@walnutcreekestates.org

Solicitation details can be found on the website.

PICNIC SHELTER, Anyone?

In recent times the concept of a picnic shelter has been discussed. The Board is gathering information about Members' interest in the construction of an open sided structure, with a low maintenance roof, that will fit into the surroundings near the dock/walkway.

This structure could be the anchor for a picnic area. Please send comments to the Board. Board@walnutcreekestates.org
